Health and Safety

3. You are reminded *not to send your child/ward to school if they are unwell or have flu-like symptoms*. Please bring them to consult a doctor instead, and update your child's Character Coaches with the relevant MC. Let's continue to practise good personal hygiene, and exercise social responsibility at all times including your child having a working thermometer with her/him.

4. You may drive your child to school in the morning but please be reminded to drive slowly and exercise caution around and within the school campus.

Attire/Grooming

5. Students must be properly attired for lessons in class and during Physical Education (P.E) lessons. We therefore seek your support in ensuring that your child/ward observes the school rules and regulations. Kindly refer to the 2025 e-Student Handbook (*pages 21-24*) uploaded onto our school website at <http://broadricksec.moe.edu.sg/> for the detailed information.

Limited Handphone Usage Policy

6. As mentioned at the beginning of the year, students are prohibited from using their mobile phones during curriculum hours (7:30 am – 2:40 pm). To support this, the school has provided lockers for all students. All students must store their mobile phones in their lockers during curriculum hours. Any student found with a phone in their possession will be considered to have breached this policy and their phone will be confiscated for the day. Repeated violations will result in the phone being returned only to the student's parents or guardians.

Student Initiated Learning (SIL) for Active Lifestyle

10. In Term 2 week 2, we will launch our Student Initiated Learning (SIL) programme that aims to empower students to take ownership of their interest and well-being by exploring and engaging in activities that align with their interests. Participation in SIL is voluntary, with students committing to one session per week. SIL will not replace CCA commitments and CCA will take priority.

11. Attendance will be monitored and students must maintain at least 60% attendance to continue participating in Semester 2. The programme includes structured training with proper equipment and certified coaches, with the goal of preparing students to compete in competitions. More details will be provided to students regarding the SIL activities and how to sign up for it.
